

A venue like no other–

The Bishop Museum of Science and Nature is the place to host your next event.

Whether it's an enchanted wedding in the open-air Courtyard, a corporate retreat in the Boardroom or a party with the planets in *The Planetarium* – there are many unique and flexible spaces to accommodate an intimate or larger event.

Debuting in 2019 are new modern spaces with stunning architectural features and beautiful glass walls. They are technologically equipped, making them perfect for meetings or classes.
