Early Learning Guided Tours: Pre-K to 3rd Grade

These unique tours are specific to each grade level and focus on concepts aligned to Florida standards. Students will explore each topic through guided activities in the new *Mosaic Backyard Universe*, classrooms, and related exhibits, including The Parker Manatee Rehabilitation Habitat and/or The Planetarium. Teachers may choose from 4 tour tracks:

- ◆ Life Science
- ◆ Earth and Space Science
- ◆ Physical Science
- ◆ Connections

****Ask about grant opportunities for Title 1 Manatee County Schools****

4th Grade Core Tour

This 4th-grade-focused tour aligns with Florida standards and includes a guided exploration of Museum exhibits, a custom star talk in The Planetarium, and a conservation presentation in The Parker Manatee Rehabilitation Habitat.

****This tour is FREE for Manatee County Schools****

Guided Highlight Tour

Suitable for all ages, this is a guided tour of The Bishop's most iconic exhibits. Included in your tour is a presentation at The Parker Manatee Rehabilitation Habitat and one Planetarium show of your choice.

THE FINE PRINT

Guided Tours available Tuesday-Friday, from 9:45 AM to Noon. Adult groups may tour in the afternoon. Reservations must be at least two weeks in advance. \$100 reservation deposit is required. Group rates are available for parties of 15 or more. Museum passes and reciprocal memberships are not applicable for groups. Please contact us to see if your school qualifies for a free tour. Email: Education@BishopScience.org Phone: (941) 746-4131 ext. 113
