

Early Learning Guided Tours Kindergarten

Connect with science and nature at The Bishop!

Kindergarten tours focus on concepts aligned to Next Generation Sunshine State Standards. Students will explore each topic through guided activities in the new *Mosaic Backyard Universe*, classrooms, and related exhibits, including The Parker Manatee Rehabilitation Habitat and/or The Planetarium. Teachers may choose from 4 available options:

Connections: Making Sense

Standards: SC.K.N.1.2, SC.K.L.14.1

Key Concepts: Understanding our five main sense to explore the world around us

Includes: Visits to the Manatee Habitat and The Planetarium.

Earth & Space Science: Stories of the Sky

Standards: SC.K.E.5.2, SC.K.E.5.3, SC.K.E.5.4

Key Concepts: What are the differences in the day and night skies?

Includes: Visit to The Planetarium.

Life Science: Petals and Paws

Standards: SC.K.L.14.3

Key Concepts: What is an animal? What is a plant? How are they similar and different?

Includes: Visit to the Manatee Habitat.

Physical Science: Sounds Like Fun!

Standards: SC.K.P.10.1, SC.K.N.1.1

Key Concepts: What is sound? How does sound travel? Why is sound important?

Includes: Visit to the Manatee Habitat.

Each topic shown above represents a stand-alone tour.

Tour topics and locations cannot be combined or exchanged.

We recommend the Planetarium show "Perfect Little Planet" for this age group.
