

Make *reading* and *writing* a part of your everyday routine!

GOING SOMEWHERE? Use a map to follow your route. Find the street signs, towns and landmarks along the way. Can you write out directions from your school to your home?

GET SIGNED! Look for signs and directions in places you visit; then try making some of your own!

NOW YOU'RE COOKING! Look for a recipe for one of your favorite dishes, then follow it (with help from an adult) to make a tasty treat!

BE A SHARP SHOPPER! Read the labels on items you buy at the grocery store.

PUZZLE IT OUT. Word puzzles and word finds are great reading practice. Try making one of your own with your favorite words!

GET CREATIVE! Make a poster with pictures and labels to show off your favorite sport, hobby or place to visit.
