ABOUT THE *Event*

The Bash at The Bishop is our annual gala to support **The Bishop Museum of Science and Nature**.

The Bishop is the largest natural history museum on Florida's Gulf Coast. Highlights include fossil evidence of Florida's earliest animal inhabitants, the Montague Tallant collection of prehistoric and early post-contact archeological artifacts, the Environmental Hall focusing on Florida's ecology and biodiversity in the Pine Uplands and Riverine Galleries, and the beautiful Picturing Science exhibition.

Please join us for the grand return of **The Bash at The Bishop**, benefiting **The Bishop Museum of Science and Nature**, one of Bradenton's top cultural venues.

You won't want to miss this incredible evening including an exquisite four-course seated culinary experience, entertainment, silent and live auctions, dancing to the musical stylings of Bay Kings Band and more! **The Bash at the Bishop** will delight and entertain guests from the moment of their arrival.
